

EU COVENANT OF MAYORS CEREMONY 2026

LOCAL LEADERS FOR AFFORDABLE ENERGY AND CLIMATE RESILIENCE

15.10.2026 | BRUSSELS

We're pleased to announce that registrations are now open for the [2026 EU Covenant of Mayors Ceremony](#)!

Join us on 15 October 2026 at the Charlemagne Building in Brussels for our flagship annual gathering of local and regional leaders, EU policymakers and climate and energy practitioners from across Europe.

Under the theme "**Local Leaders for Affordable Energy and Climate Resilience**", this year's Ceremony will highlight local action is helping Europe respond to today's challenges, from energy price volatility and geopolitical uncertainty to growing climate risks.

As cities and regions accelerate homegrown renewable energy, tackle energy poverty and strengthen resilience on the ground, they are becoming key drivers of Europe's security, competitiveness and preparedness.

The programme will feature exchanges with European Commissioner for Energy and Housing **Dan Jørgensen** and European Commissioner for Climate, Net Zero and Clean Growth **Wopke Hoekstra**, alongside fellow local leaders from across Europe.

Beyond the high-level discussions, participants will benefit from practical workshops, peer-learning sessions and dedicated networking spaces focused on turning ambition into action – from climate resilience and affordable energy to financing and implementation.

We look forward to welcoming you to Brussels for a day of inspiration, knowledge-sharing and collaboration.
